

FOOD DRIVE

APRIL 21ST - MAY 5TH

Help provide food for local families

Food for Hope works with Adams County schools to supply nutrition support to kids and families through weekend food bags, snacks, and in school food banks.

This drive will allow us to help families prepare for the additional meals they need to provide between school years. Since we work with kids we are unable to use any expired items. We appreciate your help in checking dates and returning donations in the provided bags by May 5th.

Food Drive Needs:

- Spicy ramen
