Worship

HELP YOUR CHILD(REN) WORSHIP

TRAIN: Involve your child in each aspect of the service. (Your end goal is not to entertain, distract, nor quiet them while at worship.)

SIT: Up front in the Worship Center where they can see.

SING: Stand, clap, raise your hands, and sing to the Lord.

PRAY: Encourage your child to close their eyes & be still before the Lord.

BIBLE: Help them navigate through verses being taught.

DRAW: Have them “doodle” about the message of the day.

COMMUNION: Participate together as you see fit. (If your child is not ready, consider praying a blessing out loud to your child as the elements are taken.)

CAR QUESTIONS: Driving home, talk about what you experienced and learned.

SMILE: Enjoy Jesus, and they will too!

We are a community that loves kids and families. Children are welcome to attend Sunday services, or participate in our meaningful Calvary Kids programs.
